**TULARE COUNTY AUDITOR-CONTROLLER
POLICY ON RESERVES FOR BONDS**

The Tulare County Auditor calculates property tax rates for bond issues of several taxing agencies. When calculating these rates, we look at future cash needs. Property tax revenues are usually received in two installments. Normally, 50% of property tax revenues are distributed to bond funds on or about December 25 for the first installment and 40% of property tax revenues are distributed on or about April 25 for the second installment. If the principal and/or interest payment(s) are due prior to these dates, they will be reserved in the prior year.
