Dear Ms. Bemis:

Subject: Long-Range Property Management Plan

Pursuant to Health and Safety Code (HSC) section 34191.5 (b), the City of Porterville Successor Agency (Agency) submitted a Long-Range Property Management Plan (LRPMP) to the California Department of Finance (Finance) on February 18, 2014. The Agency subsequently submitted a revised LRPMP to Finance on August 5, 2015. Finance has completed its review of the LRPMP, which may have included obtaining clarification for various items.

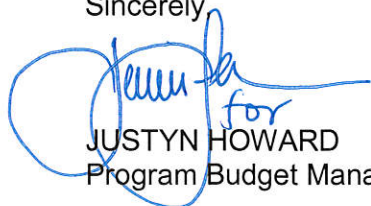

The Agency received a Finding of Completion on August 7, 2013. Further, based on our review and application of the law, we are approving the Agency's use or disposition of all the properties listed on the LRPMP.

In accordance with HSC section 34191.4, upon receiving a Finding of Completion from Finance and approval of a LRPMP, all real property and interests in real property shall be transferred to the Community Redevelopment Property Trust Fund of the Agency, unless that property is subject to the requirements of an existing enforceable obligation. Pursuant to HSC section 34191.3 the approved LRPMP shall govern, and supersede all other provisions relating to, the disposition and use of all the real property assets of the former redevelopment agency.

Agency actions taken pursuant to a Finance approved LRPMP which requires the Agency to enter into a new agreement are subject to oversight board (OB) approval per HSC section 34181 (f). Any OB action approving a new agreement in connection with the LRPMP should be submitted to Finance for approval.

Long-Range Property Management Plan

Successor Agency to the former Porterville Redevelopment Agency

INTRODUCTION

The City of Porterville (City) is located in the south central portion of the San Joaquin Valley, at the base of the foothills of the Sierra Nevada Mountains, in Tulare County. The California Department of Finance (DOF) reports the City population to be 55,490 as of January 1, 2013.

With the discovery of gold in California in 1848, came vast numbers of settlers from across the United States and abroad. This tremendous migration to California rolled through Porterville between 1840 and 1852. In 1854, Peter Goodhue established the Butterfield Overland Mail Stage Station on the banks of the old Tule River Channel. This was the stopping place along the Emigrant Train which is Main Street Today. In 1860, Royal Porter Putnam came to work at the station, and assumed command of lodging and trading facilities. He purchased 40 acres of land from Goodhue, surveyed and divided the land into town lots and officially recorded this tract in 1870. Porterville was founded in 1861 and named after Royal Putnam Porter. In 1888, Porterville's first railroad, the Southern Pacific Railway, came to town. This transformed the small town to an agricultural marketing center. The City of Porterville was incorporated in 1902.

Former Redevelopment Agency

The former Porterville Redevelopment Agency (Agency) was created pursuant to § 33000 of the California Health and Safety Code Community Redevelopment Law. The City Council adopted Project Area No. 1 containing approximately 471 acres on July 3, 1990 by Ordinance No. 1436. On July 6, 2004, the City Council adopted Amendment No. 1 which removed 26 acres from the Project Area by Ordinance No. 1655. In August of 2010, an Amendment to Project Area No. 1 was adopted by Ordinance No. 1765. This Amendment added approximately 1,698 acres to the area for a total of 2,143 acres.

Currently, the Project Area is zoned for a variety of land uses. The area includes mostly developed land, including but not limited to, shopping areas, commercial developments, public parking lots, public buildings, and housing.

Dissolution of Porterville Redevelopment Agency

On June 27, 2012 Governor Brown signed into law Assembly Bill 1484 (AB 1484), a budget trailer bill that made substantial changes to the redevelopment agency dissolution process implemented by Assembly Bill 1X26 (AB 1X 26). One of the key components of AB 1484 is the requirement that all successor agencies develop a long-range property management plan that governs the disposition and use of the former redevelopment agency's properties. This document is the Long-Range Property Management Plan (Plan) for the Successor Agency to the former Porterville Redevelopment Agency (Agency).

This Long Range Property Management Plan was prepared in compliance with Health and Safety Code §34191.5

SUMMARY OF PROPERTIES OWNED BY THE SUCCESSOR AGENCY

There are seven (7) properties owned and controlled by the Agency. Parcel 7 was approved by the Oversight Board and the Department of Finance as an approved expenditure of bond proceeds to acquire, demolish, remediate and release the property for sale. The Agency acquired the property on August 28, 2014. Parcels 1 through 6 were acquired by the former Porterville Redevelopment Agency in an effort to revitalize a portion of the downtown area. These seven (7) properties are subject to the provisions of the Agency's Redevelopment Strategic Plan and the Five-Year Implementation Plan and amendment adopted in 2010. The properties include the following:

- Parcel 1 APN 253-177-008. The property is located at the southeast corner of Garden Avenue and Second Street. The property is zoned DMX (Downtown Mixed-Use) and is 40,777 square feet. It is developed and currently used as a public parking lot.

- Parcel 7 APN 261-122-007. The property address is 14 N. Main Street and is otherwise known as the "Porterville Hotel Project". The property is zoned DR-N (Downtown Retail – North of Olive) and is 11,000 square feet. The property was a blighted mixed-use project that was deemed uninhabitable in December, 2006. There was a catastrophic fire on December 26, 2013, that damaged the structure beyond repair.

The Successor Agency is interested in transferring ownership of Parcels 1 through 5 to the City in order to continue utilizing them as public parking and entering into a Compensation agreement between the City and taxing entities. Parcels 1 through 4 are encumbered with an Operation Use and Maintenance Covenant for public parking facilities that run with the land. In the event legislation is enacted that clarifies Parcels 1 through 5 are eligible to be conveyed to the City as governmental use properties, this Plan will be amended to change the designation of such properties in accordance with then-applicable law. Parcel 6 is proposed to be transferred to the City for governmental purposes as an administrative building utilized for staff. Parcel 7 was acquired on August 28, 2014, in compliance with the expenditure of bond funds as approved by the Oversight Board and Department of Finance. It is proposed to complete demolition, remediate environmental concerns, and sell with the net proceeds to be used to fulfill enforceable obligations.

The property is proposed to be acquired for removal of blight, through the demolition and remediation of environmental concerns, and the sale of the property for future development, in compliance with the expenditure of bond funds, as approved by the Oversight Board and Department of Finance. In accordance with HSC section 34191.4(c)(2)(B), the net proceeds shall be used to fulfill an enforceable obligation.

3. Parcel data, including address, lot size, and current zoning (*HSC 34191.5(c)(1)(C)*).

Zoning/Permitted Uses: The property is zoned DR-N (Downtown Retail – North of Olive Avenue – see Exhibit E)

4. Estimate of the current value, including appraisal information (*HSC 34191.5(c)(1)(D)*).

A Broker's Price Opinion, obtained on June 23, 2015, estimated the value of the property to be \$198,000, with the assumption the lot is completely cleaned, leveled, and filled to pass compaction tests necessary to comply with state and local building codes.

5. Estimate of any lease, rental, or other revenues generated by the property and a description of the contractual requirements for the disposition of those revenues (*HSC 34191.5(c)(1)(E)*).

In 2011, prior to trying to acquire the property, a Historic Document Review was performed on the property. The study found significant asbestos and lead based paint. Part of the planned demolition, included environmental remediation. Although the fire destroyed the structure, the Agency will continue with plans identified by the bond proceeds to acquire the property, demolish, remediate environmental concerns, and sell the property as a clean site.

7. The property's potential for transit-oriented development and the advancement of the planning objections of the successor agency (*HSC 34191.5(c)(1)(G)*).

The property is located in the heart of downtown near major retail and employment areas on a major thoroughfare serviced by numerous bus lines.

- 8. A brief history of previous development proposals and activity, including the rental or lease of property *(HSC 34191.5(c)(1)(H))*.**

CHART SHOWING PERMITTED USES

EXHIBIT E – PERMITTED USES

DR-N Downtown Retail – North of Olive Avenue. Maintain the pedestrian- and transit-oriented environment of retail, restaurants, services, and government offices in the heart of Porterville’s Downtown, focused on Main Street. Maintain the traditional Downtown character, with buildings built immediately adjacent to the sidewalk, active commercial uses on the ground floor, ample on-street parking, and a visually attractive streetscape with trees, historic street lights, benches, and other pedestrian amenities.

D-MX Downtown Mixed-Use. Create a mixed-use area that attracts businesses and residents to locate Downtown, and provides a transition area between commercial areas and residential neighborhoods. Allow a mix of commercial, service, office, and residential uses that do not adversely impact one another in a significant way. Create an attractive streetscape of buildings that line the street, with landscaping and trees tailored to the width and the existing design character of the street.

D-PO Downtown Professional Office. Encourage the adaptive re-use of existing buildings with office and professional uses, and infill of new office buildings, in order to provide convenient services to local residents and businesses, complement nearby retail development, and maintain the historic residential character of the area. Maintain the pattern of small lots, historic residential building forms, landscaped front yards, and street trees in planter strips.

“P” designates permitted uses.
